### Introduction

The primary objective of internal audit is to review, appraise and report upon the adequacy of internal control systems operating throughout the council. To achieve this SALC adopt a predominantly systems-based approach to audit.

The council's internal control system comprises the whole network of systems established within the council to provide reasonable assurance that the council's objectives will be achieved, with reference to:

- the effectiveness of operations
- the economic and efficient use of resources
- compliance with applicable policies, procedures, laws, and regulations
- the safeguarding of assets and interests from losses of all kinds, including those arising from fraud, irregularity, and corruption

- the integrity and reliability of information, accounts, and data

## Methodology

When conducting the audit, the internal auditor may:

- conduct a selective assessment of compliance with relevant procedures and controls expected to be in operation during the financial year in order to be able to complete the Annual Internal Audit Report 2025/26 of the Annual Governance and Accountability Return (AGAR)
- review the reliability and integrity of financial information and the means used to identify, measure, classify and report such information
- review the means of safeguarding assets and, as appropriate, verify the existence of such assets
- appraise the economy and efficiency with which resources are employed, identify opportunities to improve performance and recommend solutions to problems
- review the established systems to ensure compliance with those policies, procedures, laws, and regulations which could have a significant impact on operations, and determine whether the council complies
- review the operations and activities to ascertain whether results are consistent with objectives and whether they are being conducted as planned

<b>Section 1 – Financial Regulation and Standing Orders</b>		
The internal auditor will check the date the Council conducted its annual review of both Standing Orders and Financial Regulations and in particular check if these are based on NALC'S latest model which include legislative changes.		
<b>Evidence</b>		<i>Internal auditor commentary</i>
Have Standing Orders been adopted, up to date and reviewed annually?	Yes	<p>Council's Standing Orders are based on the latest model published by the National Association of Local Councils (NALC), April 2025 and are fully tailored to the council.</p> <p>Council approved its Standing Orders at a meeting of full council held on 15 January 2026 (min ref: 11.7).</p>
Are Financial Regulations up to date and reviewed annually?	Yes	<p>Financial Regulations, as seen on the Council's website, are based on the latest model published by NALC, Model Financial Regulations March 2025 with provisions included as outlined under <a href="#">NALC Advice Note – Procurement, 3 February 2026</a>.</p> <p>Council approved its Financial Regulations at a meeting of full council held on 15 May 2025 (min ref: 12.5(ii)).</p>
Has the Council properly tailored the Financial Regulations?	Yes	<p>The Council's Financial Regulations have been tailored to the Parish Council.</p> <p><i>COMMENT: There are sections within the Financial Regulations on the council website which have not been tailored to the council, denoted by square brackets [ ]. These sections should be adapted to the needs of the council.</i></p>
Has the Council appointed a Responsible Financial Officer (RFO)? <sup>1</sup>	Yes	<p>In accordance with Section 151 of the Local Government Act 1972 (financial administration), the Council has appointed a person (the Clerk) to be responsible for the administration of the financial affairs of the relevant authority. Council's Financial Regulation 1.5 confirms that the Clerk is so appointed.</p>

<sup>1</sup> Section 151 Local Government Act 1972

<b>Section 2 – Budgetary controls</b>		
The internal auditor will seek verification that budgets are properly prepared, agreed and monitored. In particular they will look for evidence of good practice in that the key stages of the budgetary process have been followed		
<b>Evidence</b>		Internal auditor commentary
<i>Verify that budget has been properly prepared and agreed</i>	Yes	<p>The budget for the year 2025/26 was approved at the full council meeting on 21 November 2024. Although there is no clear confirmation within the minutes as to the final budget figure being set, budget papers seen provide details on the budget and precept and the reasoning behind the budget that was set.</p> <p><i>COMMENT: To ensure transparency in the budgetary process Council might wish to evidence by recording within the minutes, the budget being set alongside the reasoning for such a budget.</i></p>
<i>Verify that the precept amount has been agreed in full Council and clearly minuted</i>	Yes	<p>The precept was set at £10,097 for 2025/26, as confirmed by full council at the meeting on 16 January 2025 (min ref: 12.3), with the paperwork demonstrating that this was a 9% per year increase on a Band D property over that set the previous year.</p>
<i>Regular reporting of expenditure and variances from budget</i>	Yes	<p>A review of accounts is undertaken at meetings however it has not been possible to establish from the minutes if that review consisted of a review of income and expenditure against budget along with forecasts for the remainder of the year.</p> <p><i>COMMENT: Council should consider either reporting, in accordance with its own standing order 17c a quarterly statement showing evidence of comparisons between budgeted and actual income and expenditure to form the basis of approval for virements or amending Standing Order 17c to reflect the frequency with which budget monitoring exercises are carried out.</i></p>

<p><i>Reserves held – general and earmarked<sup>2</sup></i></p>	<p>Yes</p>	<p>The Council, as at year-end, had Earmarked Reserves totalling £10,086 with the balance being General Reserves of £10,097 with overall reserves standing at £20,183.</p> <p>Council's adopted Reserve Policy provides clarity on the reasoning behind the holding of reserves and the allocation of its reserves held regarding the setting of the budget for the next financial year. The adopted policy shows an intended level of General Reserves to be maintained to ensure that the council achieves the recommended levels. The policy confirms that even at times when extreme pressure is put on the council's finances the council must keep a minimum balance sufficient to pay one month's worth of contractual obligations to staff and contractors in general reserves at all times.</p>
<p><b><i>Additional comments:</i></b></p>		

---

<sup>2</sup> In accordance with proper practices, the generally accepted minimum level of a Smaller Authority's General Reserve is that this should be maintained at between three (3) and twelve (12) months of Net Revenue Expenditure

<b>Section 3 – Proper bookkeeping</b>		
The internal auditor will look at the methods and processes used to manage the council’s accounts and in particular that it provides clear data for reporting and monitoring purposes. This includes checking information is accurate, kept up to date, referenced and verified.

<b>Additional comments:</b> <i>COMMENT: a refund (£149.97) has been entered as a receipt which is incorrect. The refund should be entered as a negative payment to reverse the payment that was made and to reduce expenditure. Entering the refund as receipt results in overstated income and expenditure.</i>

The internal auditor will specifically check bank reconciliation including credit/debit cards and management approval processes and evidence that internal Financial Regulations (FO) are being followed. The internal auditor will examine how regular payments are managed and specifically seek evidence that these have been brought back to the Council for verification purposes especially where the actual payment made differs from the amount previously agreed. VAT should be clearly identified including evidence that claims have been correctly managed. The internal auditor will check if the Council has a clear understanding on eligibility in relation to the General Power of Competence and that s.137 has been correctly applied and managed.

<b>Evidence</b>		<i>Internal auditor commentary</i>

Nor were there any contracts estimated to exceed £60,000 including VAT, for which the Clerk needed to advertise an open invitation for tenders in compliance with any relevant provisions of the Legislation.</p>

Where applicable, are internet banking transactions properly recorded and approved?	Yes	Internet banking is operated in accordance with the Council's own Financial Regulations and is used for the settlement of the Council's expenditure.  <i>COMMENT: There is clear evidence of good practice - payments are authorised by two councils demonstrating the council is working in line with its own Financial Regulations. A schedule of both due and retrospective regular payments is submitted to the Council for approval at each meeting and which is included in the meeting minutes.</i>
Is VAT correctly identified, recorded, and claimed within time limits?	Yes	VAT is identified in the cash book with the reclaim for the period covering 24 September 2023 up to and including 23 June 2025 in the sum of £697.67 being verified in the cashbook and bank statements. The year-end balance stands at £69.00 which is still to be claimed.

No	Payments identified as being made under this power for the year under review totalled £50 and were separately recorded and were of a direct benefit of the electorate.  <b>RECOMMENDATION: Two grant payments are listed in the cashbook totalling £670.00. It is not clear what power the council used to make these grant payments and council are advised to consider if these were granted under s.137 and if so to adjust the figures in the year end accounts.</b>  <b>RECOMMENDATION: Council should consider clearly identifying s137 in meeting minutes both when the donation is agreed to be made and also on the payments list.</b>
Where applicable, are payments of interest and principal sums in respect of loans paid in accordance with agreements?	N/A	Council has no such loan

<sup>3</sup> Localism Act

<sup>4</sup> Section 137 of the Local Government Act 1972 ("the 1972 Act") enables local councils to spend a limited amount of money for purposes for which they have no other specific statutory expenditure. The basic power is for a local council to spend money (subject to the statutory limit – of £11.10 per elector) on purposes for the direct benefit of its area, or part of its area, or all or some of its inhabitants.

**Additional comments:** Council might wish to ensure that the cashbook and/or minutes make reference to the powers used to incur expenditure. Statutory powers are granted by Parliament and give local councils the choice or opportunity to take action and are therefore discretionary. Like all powers given to public bodies the powers of local councils are defined in detail in legislation and these details may include a requirement to obtain the consent of another body.
